LOCAL.

There was a large crowd in town on Monday last, and trade was quite lively.

Rev. Mr. Hope, of Princeton, N. J., will preach at the Presbyterian Church the first Sabbath in May.

Monday last was a good day for our merchants because so many were in trading.

Some of the leading farmers think the season two weeks a head of last year.

Little Mattie Cochran who has been quite sick for some time is now thought to be improving.

Prof. Rose has just received a globe and set of maps, for the use of his academy at Clover-Port.

Mr. Paul T. Jones has moved to the place bought by him of O. B. Polk, in town.

Esqr. R. N. Mitchell has moved to the Dupuy place, west of the Railroad.

The weather this week has been lovely; and the farmers are taking advantage of it. Very few farmers have been in town since Monday last.

Mr. J. C. McCabe is making brick in a hurry on the Asylum grounds. He will have the brick ready for the contractors by the time they will need them.

Prof. Rose, of Clover-Port, has secured the services of Miss Mattie Overton, as assistant teacher. Miss Overton has an excellent reputation as a teacher.

The merchants of Bolivar have no right to complain. Trade is as good here this season, at least, so say our merchants who are advertising their business and trying to do something.

The next meeting of the guild, to which the public are invited, will be held at the residence of Mrs. L. Bills on Monday, April 26th, at 7 1/2 P. M.

There will be services and a sermon in St. James' church, Bolivar on Easter morning at 10 1/2 o'clock, and evening at 7 1/2 o'clock. Rev. Chas. T. Collins, of Trenton, officiating as minister.

Don't fail to attend the County Fair meeting at the Court House, on Saturday the 8th of May next. Business of importance will be transacted.

The Committee on subscriptions for the County Fair, are urged to thoroughly canvass their districts at once and report to the meeting on the 8th of May, at Bolivar. It longer delayed, failure will be the result.

The announcement of Mr. S. L. Cockroft, of Dyer County, for Attorney General, will be found in this issue. We found him to be a very pleasant and intelligent gentleman. He is sustained by the people of his county in his candidacy, and stands high at home as a gentleman of exemplary habits, and fine intelligence. He has been in this county for several days, and has made a good impression upon our people. We clip the following from the Dyerburg Gazette, which shows his standing where he has lived for many years:

"Mr. Cockroft is a man of scholarly attainments, studious habits, and remarkable industry. His ability at the bar is well known to all practitioners at this court. He is painstaking and thorough in all his legal investigations. Gentlemen in department, with a laudable ambition to do all things well, his literary attainments, and legal acquirements give ample assurance that the best interests of the State would be zealously guarded in the hands of S. L. Cockroft."

Mr. G. M. Savage is quite sick and has been for several days. His many friends will be glad to see him out again.

There were four of the candidates for Register in town on Monday last, seeing the dear people, each wanting to be Register. Only one can be, four out of five will go home with a long, sad face.

We have information from private sources, that Mattie Pirtle, an old citizen of this county committed suicide in Texas. We were unable to ascertain the time or the particulars of the taking off of our old citizen.

Rev. W. M. Robinson, who was here some time since, recently held a very interesting meeting at Martin. Quite a number of conversions are reported.

The people of Hadreman County can ill-afford to let the county fair, project, fall through. It will be a success if the committees on subscriptions will do their duty. Now is the time for action.

Mr. Austin Miller left Bolivar on Tuesday last, for the purpose of visiting the Insane Asylums at Knoxville, Tenn., Morganton, North Carolina, and Meridian, Miss. He will meet the Architect and the other members of the Building Committee, and they, together, will visit the above named institutions, for the purpose of acquainting themselves with the latest, and most approved plans for such structures. A plan for the West Tennessee Insane Asylum will then be adopted, and contracts for same let.
